

## CamsPlugin Overview Sheet

CamsPlugin allows you the ability to give your members more content and retain them longer and at the same time generate more revenue for your business and most importantly keep your brand in tact through the whole process! Here's how...

### Standard CamsPlugin Look

### Branded CamsPlugin Look

\*\*\* Give your members exclusive content to watch free! Branded with your header!

## Branded CamsPlugin Look (Inside) – Exclusive New Video Daily for your members!

As you can see above we've given you the ability to brand CamsPlugin with your own header throughout the site keeping your brand in tact and your members happy. There are several up sell areas on CamsPlugin that when clicked link out to your branded cam site. Example below

## Branded Cam Site Look – Yourdomain.com

With CamsPlugin we're giving you this exclusive content for your members to watch and keeping your brand in tact.

If you have any questions or concerns or need help setting up CamsPlugin for your site please do not hesitate to contact us. We can get you up and running in no time!
